

# BENEFITS OF MEMBERSHIP

- **Professional Development Trainings & Resources (CCE credits coming soon!)**
- **Learning and Information Sharing:** Members will participate in skills exchange workshops to enhance their knowledge base and acquire tools to improve their current practices, access the members-only portion of the HRYN website, and access to other youth-serving agencies for information and helpful resources.
- **Leadership Opportunities:** Members of the Network will have the opportunity to develop as leaders and be given opportunities to apply and demonstrate their skills in the Network, while also spotlighting their agencies. Committee assignments, recruitment, planning execution, and representing both the Network and their agencies will all provide opportunities to develop public speaking, presentation, motivational, and organizational skills.
- **Professional Network and Partnering:** Leveraging your relationship with the *RFK Children's Action Corps*, members will have the opportunity to engage and inform a national network of thought leaders and innovators, enhancing members' capacity to positively impact high-risk youth in their community.
- **Referrals:** The Network allows members to share agencies' information, experience and expertise with youth looking for referrals and will serve as a marketing spokesperson for its member agencies.
- **Internships/Practicum Opportunities:** Students/University members have access to organizations where they will receive real life/ hands on experience in addition to internship opportunities.
